## Summary

Motivated **Computer Science undergraduate** with a strong interest in **Cloud Computing and DevOps**. Hands-on experience in deploying and managing cloud infrastructure using AWS services. Proficient in problem-solving, scripting, and collaborative development. Seeking opportunities to further develop technical expertise in cloud and DevOps domains.

## Technical Skills

**Programming Languages:** Python, C, C++

**Tools & Technologies:** Linux, Git, MySQL, Maven, Jenkins, Bash (Shell Scripting), VS Code, VirtualBox

**Cloud Technologies:** AWS (EC2, EBS, ELB, EFS, S3, RDS, CloudFront, CloudWatch)

## Work Experience

### Cloud Computing Intern

June 2025 – July 2025

Playtown Studios Pvt. Ltd.    [\(Website\)](#)    [\[Certificate\]](#)

- Deployed and managed cloud-based applications using AWS services (EC2, S3, RDS).
- Deployed and managed 3+ AWS-based applications (EC2, S3, RDS), achieving 99.5% uptime and improving scalability to handle 2x traffic spikes using Auto Scaling and load balancing.
- Implemented monitoring and alerting using CloudWatch, reducing manual monitoring effort by 30% and improving system visibility.

### Web Development Intern

July 2024 – July 2024

Kistechno Software, Jaipur    [\(Website\)](#)    [\[Certificate\]](#)

- Developed responsive web interfaces using HTML and CSS.
- Built structured front-end layouts for web applications.
- Improved UI consistency and gained practical exposure to front-end workflows.

## Projects

### Scalable Web Application Deployment on AWS (Vprofile)

- Designed and deployed a scalable multi-tier AWS architecture (EC2, S3, Auto Scaling) capable of handling 2–3x traffic spikes with consistent performance.
- Implemented secure infrastructure using ALB (HTTPS via ACM), Security Groups, and Route 53, improving availability to 99.9% and ensuring secure access.
- Integrated backend services (MySQL, Memcache, RabbitMQ) and automated deployment steps, reducing manual setup effort by 30% and improving system response time by 20%.

## Education

**Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur**

B.Tech in Computer Science and Engineering

2023 – 2027

CGPA: 8.9

**St. Xavier's Sr. Sec. School, Jaipur**

Class XII – 76.4%

2023

Class X – 81%

2021

## Courses & Certifications

- **AWS Cloud Practitioner Essentials** – AWS (Mar 2026) [\[Certificate\]](#)
- **AI Tools & ChatGPT Workshop** – be10x (Nov 2025) [\[Certificate\]](#)
- **Microsoft Learn – GitHub Copilot** [\[Certificate\]](#)
- **Introduction to Vibe Coding** – Microsoft Learn [\[Certificate\]](#)

## Workshops

- **DevOps Workshop** – Swami Keshvanand Institute of Technology, Jaipur [\[Certificate\]](#)  
(17th March – 21st March 2026)
